History of Southwest Youth Athletic Association

FIVE MAN EFFORT STARTED THE SOUTHWEST YOUTH ATHLETIC ASSOCIATION

The Southwest Youth Athletic Association was organized in 1970-1971 by five Charter Members Beanie Conwell, Jerold Binkley, Frank Parkinson, W. W. (Doc) Scammon and Al Stallard. The purpose of the Southwest Youth Athletic Association was to sponsor a league to provide baseball and softball to the youth of southwest Topeka and the surrounding communities. Fifteen people attended the first meeting. Only the original five attended the second meeting.

First, money was needed. Individual memberships were sold for \$10 and \$25 and business memberships for \$100. Then donations were solicited. Six companies came through: Fairmont Foods, Fanestil Packing, Seven Up Bottling Company, Taste Bread, Downtown Optimist Club and C&W Market. The Washburn Rural teachers held a pancake feed; a garage sale was conducted and with other fundraising projects, the teachers collected a total of \$5,000, a good sum but not nearly enough for the total project cost for four diamonds. Approximately \$76,000 was needed for the land, lights, bleachers, parking lot and concession stand. The founders did not intend to reach their goal in one year but did want to do so over several years with assistance from the community.

The five founders went to friends and proposed they each sign a \$2,000 note, which they guaranteed with their own money. The loan was obtained through the Security State Bank at Auburn. That was enough to buy twenty acres of ground and to build the original four diamonds. The loan was paid off long ago and the Miniette, Minorette, Mini and Metro diamonds were added in the mid-seventies.

The league was named after Ken Berry, a Washburn Rural athletic standout, who played major league baseball for the Chicago White Sox and California Angels.

Volunteerism is the key to the success of Southwest Youth Athletic Association. Not a dime of public funds nor tax dollars have been used on the complex. Many individuals, business firms, optimist clubs and others, and the community have contributed to the continuing growth of the program since 1972. From the building of the diamonds to the writing of the organization's philosophy, by-laws and rules, volunteers have made the dream a reality. In fact, the wives of the five founders managed and operated the concession stand for many years on a volunteer basis. Southwest Youth Athletic Association appreciates the good adult leadership for the teams. Many managers and coaches have contributed their time and talents as the league has grown from the first seventeen teams in 1972 to the great organization it is today.

THANK YOU ALL!

1. *OVERALL FACILITY RULES:*

- A. No beer or other alcoholic beverages are allowed on the property of the Southwest Youth Athletic Association (SYAA).
- B. The SYAA property is a smoke-free environment. The use of smokeless tobacco products is allowed on SYAA property but is prohibited near the concession stand, the dugouts, and anywhere within the confines of a playing field.
- C. Because the success of SYAA depends heavily upon revenue generated by concession sales, the Board of Directors asks that no food or drink be brought into the complex. An EXCEPTION is that players are allowed to bring their own water or sports drink for consumption by them in the dugout during their game. Violators should be reported to the Board. The PENALTY is that the violator will be asked to remove the food/drink from the complex.
- D. The speed limit at the complex is 10 mph. If any person is observed exceeding the limit, they may be subject to suspension from the complex for the remainder of the season at the discretion of the Board of Directors.

If the player is determined to be ineligible by the Home Plate Umpire, the player may not participate.

9. *Rosters*

- A. The official roster shall be the only eligibility list of personnel for the team. The final roster shall include name, address and phone number of the manager, coaches, scorekeeper and players. For all baseball and softball divisions a team shall have a minimum of 10 players and a maximum of 14 players.
- a. EXCEPTION: Metro Division -- Approval of Division Representative and Vice President of Baseball or Softball is necessary to carry more than 14 players.
- i. PENALTY: Forfeiture of all games during non-compliance.

Metroette	15-18	

G. Players may only sign a roster for, and play on, one team per season.

10. Player Release

If a player wishes not to remain with the assigned team, the player may submit a written request for release to the SYAA Board of Directors by the early registration deadline stating the reasons for the request. If the Board of Directors grants this release, the player will be placed into the player pool.

11. Player Move-Up Procedure

A draft system will be used for all move-ups except for the Mini 7 to Mini 8 and the Midget 9 to Midget 10 divisions. The Division Representatives will conduct the drafts on dates of their choosing.

In the Mini and Midget Divisions, a manager can protect ten (10) players. In the Minor and Major Divisions, a manager can protect eight (8) players. Mini and Midget Division teams will remain intact for two years.

Only Board approved managers for their respective divisions and/or a representative who already has a player on that team may attend the draft.

A manager is required to protect his son. If the manager has multiple sons, he is required to protect one and may pick up the others during the draft. A manager, who has sons eligible under the draft and wishes to draft them, must so state in writing to the Division Representative prior to the draft. If so stated, the manager is required to select the son in the third round of the draft.

Any family, with a player already assigned to a team, having a brother becoming eligible through the move-up draft may request the brother option on the new eligible brother. This request must be submitted to the Division Representative, in writing, prior to the draft. The brother must be taken in the fifth round.

If by the April 1 deadline for submitting team rosters the pool has been depleted and there is still a team that does not have a complete roster, the manager may then go outside the League to seek new players. The SYAA Board must approve any such new player.

12. Player Trades Are Not Allowed

Should a manager be discovered to have overlooked or discouraged a player from remaining on a team, it shall be considered cause for possible suspension from the League.

13. Insurance

A. SYAA insurance is considered only a secondary provider.

14. Team & Player Eligibility

- A. No team is eligible for play until all qualifications established in these rules are met except by expressed permission of the Board of Directors.
- B. If a player is no longer participating prior to June 10, the manager must request a replacement from the player waiting list if players are available and the roster is below minimum level. If players are assigned by the Division Representative and all fees are paid, they will be immediately eligible to play. If there is no waiting list of players available, a team may participate below the minimum roster limit with Board approval.
- C. After June 10, players being added will be required to pay full league fees. They will, however, be excluded from the League fundraiser for that year only.
- D. By April 1st, all managers shall have players along with their parents sign a team roster. Players cannot quit one team and play for another in the Division once they have been drafted to a team. Players who refuse to play for the team to which they are drafted/assigned will not be allowed to be included in the draft the following year's season. Those players will be allowed to play in the age-appropriate division the following year only if included on a signed protection

list and registered before December 31st of the prior year. Players/parents may appeal application of this rule by providing to the Board of Directors a thorough written explanation of the reason for refusal to play.

15. Use of Diamonds

A. PRESEASON -- Preseason use of diamonds will be handled through the Division Representatives, only with approval of the President and Vice President of Operations. Teams using complex diamonds for practice/practice games without permission will be subject to imposed discipline of two forfeited games. Use of the field lights for preseason games and practice is not permitted.

1. PENALTY: May include automatic forfeiture of game (s) and/or suspension from the SYAA League as well as a monetary fine equal to the “demand charge” fee from the electric company which could be more than \$400.

B. REGULAR SEASON -- Use of the diamonds for practice and/or practice games will not be permitted once the regular season has started.

1. EXCEPTION – teams receiving a forfeit may use the scheduled diamond provided the diamond has not been previously rescheduled for a make-up game.

16. Bench & Field Personnel

When a team is on defense, players not in the game, coaches and the manager must stay in the dugout, unless players are warming up in the bullpen area. On offense, only base coaches, the batter, on-deck-batter and base runners are allowed on the field. Only one coach is allowed in each coaching box at one time. Only the following personnel shall be allowed to be on or near the players’ bench or near the area reserved for team members:

1. registered team players
2. registered team manager
3. a maximum of four registered coaches. EXCEPTION: if no registered coach is available, a fan or parent may be used.
4. one scorekeeper
5. two bat persons

17. Scheduling Requests

All Divisions excluding Metro and Metroette will be allowed to request certain “days off” of the schedule by following this procedure:

- A. All Managers will be allowed to submit to their Division Representative prior to March 15th a request for exemption from playing up to 2 specified weekends and up to 2 specific additional weekdays.

A weekend is defined as Friday, Saturday, **and** Sunday, and a weekday is defined as any day of the week including Friday, Saturday, **or** Sunday.

18. Rescheduling of League Games

It is the Manager’s responsibility to arrange changes to reschedule a league game, Managers will need to use the following outlined procedure:

1. Do NOT contact the Scheduler.
2. Notify the Division Representative of the date and the time of the game involved in a proposed change.
3. Inform the Manager of the opposing team that a change is being investigated.
4. Keep all the involved Managers apprised of any progress.
5. Look for either a game that could just switch spots (4 teams involved) or look for a team that is scheduled to play the common opponent on another date (3 teams involved).
6. If a swap can be made, send via email to the Division Representative and all Managers involved a description of the details of the swap. All Managers involved must mutually agree to the change in the schedule. The Division Representative will inform the Scheduler of the switch.

The schedule will stand as it was originally until the Scheduler is notified if there is to be a change. Reminder: A game may be played with as few as 7 players but inability to field a team incurs a recorded forfeit.

19. Umpires

- A. No League game will be played without the attendance of at least one official umpire.
 - 1. EXCEPTION: There will be no umpire for Instructional Division games. If only one official umpire is in attendance, a substitute umpire may be appointed by any member of the Board of Directors or the Chief Umpire. Once the game has begun, the substitute umpire shall have the same standing authority as an official umpire until an official umpire arrives. A manager of one of the involved teams must report to the Chief Umpire the absence or tardiness of any umpire.
- B. Managers and coaches are not allowed to umpire in the division in which their team participates. Players may not umpire in a division which is higher than two divisions below the division in which they participate or would be eligible to participate.
 - 1. EXCEPTION: 17 & 18 year old's may umpire in the Major and Majorette Divisions.
- C. The umpire shall keep the official time for the game.

20. Weather Policy

- A. On weeknights, games will be canceled if there is a tornado **WARNING** issued for all or a part of Shawnee County on or after 5:45 pm. This rule will not apply to weekend games due to the varying start times. Check our website at www.kenberryleague.com for play / no play information, via Facebook, Rainout Line or call the SYAA Hotline at 862-3929.
- B. In the case of severe weather conditions (i.e. lightning, fast approaching thunderstorms, etc.) arising during play, the on-duty **Board Members** will determine when play is to be called. If play is called, it will be announced over the PA system.
 - 1. In the case of inclement weather (i.e. rainy weather, no lightning, etc.) playing conditions on individual fields will be assessed by board members on duty to determine whether that field is playable.
 - 2. When a game is called for any reason, prior to being a complete game, the game is suspended at that point. The game shall be resumed at the point of the suspension on the rescheduled date. Any missing players may be replaced by new players as required but otherwise the lineup,

game time and innings pitched for the game shall remain as they were in the original game.

3. If both team's coaches agree, a suspended game may be recorded as complete regardless of the game situation at the time of the suspension.
4. If the game has completed enough innings to be considered a complete game per the division rules prior to the suspension of play, the game shall be considered a complete game at that point.
5. If the game is beyond the point at which a complete game could be called when it is suspended, the score shall revert to the score at the end of the last complete inning. If the score is tied at that point, then the games shall be considered not complete but suspended and will be played out from the point of the suspension at the rescheduled date.
6. The above rules shall apply to all regular season and post-season tournament games.

21. Tournament Seeding

A. Individual team won/loss records will determine tournament seed. In the event of a tie:

1. First tiebreaker is head-to-head competition.
2. Second tiebreaker is total runs allowed in head-to-head competition.
3. Third tiebreaker is total runs allowed during the regular season against all teams.
4. Fourth tiebreaker is a coin flip, attended by the affected managers and the Division Representative.

22. Postseason Tournaments

- A. All tournament arrangements and schedules are to be under the direct supervision of the Tournament Director, Board of Directors and the Chief Umpire.

- B. For purposes of any rules or PENALTIES, the beginning of tournament play shall be considered as a continuation of League season play, i.e. no rules will be suspended or PENALTIES prematurely terminated because of completion of the League season unless otherwise noted.
- C. All team rosters will be frozen at the end of the regular season and prior to the start of the Postseason Tournament. No players may be added to a team roster unless the roster would drop below 10 players because of the loss of a player. A player may only be dropped from a roster if he has an injury that prevents further play.
- D. BASEBALL & SOFTBALL: The higher seeded team will be the home team for all games. The losers bracket finalist shall be the home team for the “If Needed” game.

23. Awards

Awards will be given to teams per the final league and tournament standings.

24. Sportsmanship Award

The following procedures will determine the winners of the Sportsmanship Award in each division. Winning the Sportsmanship Award is a goal worthy of pursuit during the entire season.

1. Each team manager, three (3) registered coaches and the team scorekeeper for every team in each division shall receive a ballot furnished by the league. As ballots are completed, strong consideration should be given to team members, managers and coaches and the spectators. At SYAA – Good Sportsmanship applies to everyone.
2. In addition to the persons eligible to vote for the Sportsmanship Award listed above, any umpire who has officiated in at least eight regular season games in any division shall be entitled to vote for the Sportsmanship Award in that division. Any umpires who have

- officiated in more than one division shall be entitled to vote for the Sportsmanship Award in every division in which they have officiated at least eight regular season games in the division in which they are voting. An umpire's vote shall be counted equally with all other votes.
3. In the event of a tie, the team receiving the most first place votes shall be judged the winner. If a tie still exists, three board members (one from Baseball, one from Softball and one at-large Board member) will vote to decide the winner.
 4. It shall be the responsibility of each team manager to ensure that the team's ballots are placed in the ballot box designated by the League on or before the date indicated on the ballots. Failure to comply with these procedures by any team can result in that team's ineligibility for the Sportsmanship Award.
 5. The Awards Committee will not hesitate to recommend to the Board of Directors the disqualification of any team from eligibility for earning the Sportsmanship Award in the regular season if that team is involved in unsportsmanlike conduct in tournament play.
 6. All players not receiving a placement award will receive a participation award in the Mini, Midget and Minor Divisions. A sportsmanship award will be given in addition to any other awards received in all Baseball Divisions.

25. Coaching

Coaching of defensive players will be allowed only from the dugouts. Coaching of the team at bat may be from the dugout and by the base coaches on the field of play while the coaches abide by Federation for Baseball or for Softball USSSA rules. There can be no instruction to batters or calling of pitches from outside these areas.

26. Concession Stand

The concession stand will open at 5:45 pm and close at 8:30 pm on nights with one game scheduled on each field and close at 11:00 pm on nights with two games scheduled on each field. On Sunday, it will open 1 hour before the first scheduled game and close 2 hours after the last scheduled game begins. A scheduled game is any game scheduled at least one week in advance.

No food or drink may be brought into the complex. EXCEPTION: Players can bring their own water or sports drink for personal consumption by them in the dugout during their game.

27. *Player Recruitment*

- A. Once a player has signed a protection form to play with a designated team, been drafted by a team, or been assigned to a team by the Division Representative, that player shall not be recruited for any future seasons (summer or fall) for the SYAA League until after the player's regular and post season tournament games are complete for the current season. This rule applies to all managers, coaches, prospective managers, prospective coaches, parents, players, relatives, friends, and any other person.
- B. The intent of this rule is to ensure a fun and stress-free experience for all participants during the year. Additionally, this is intended to ensure that dividing lines are not created within a team during the season.
- C. **PENALTY:** Upon receipt of an official complaint to the SYAA Board President and the SYAA Executive Committee, it will be determined by majority vote after meeting with all involved parties whether the complaint is valid. If the complaint is ruled valid, the Executive Committee will enforce appropriate sanctions based upon the frequency and severity of the infraction.

DBA: SYAA LEAGUE SPORTSMANSHIP CODE

“Sportsmanship is that quality of honor that desires to be courteous, fair and respectful and is interpreted in the conduct of players, spectators, coaches and league authorities.”

FOR COACHES

“Every team should be coached to win, as that is the object of the game, but players as a whole should be taught that for every winner there is more honor in losing fairly than in winning unfairly. Teach the players to play the game hard, by fair means. Good sportsmanship is far more valuable than the mere winning of a game. Finally, teach the players to play the best game of which they are capable, and then, if they can’t win, to lose without a whimper, like sportsmen.”

FOR PLAYERS

“A sportsman doesn’t have to practice meekness. A player who wouldn’t fight for a square deal wouldn’t be much of a person, but the sportsman is careful to see that their opponent gets the same square deal. They are not required, with foolish generosity, to give an advantage, but they are required never to take a questionable advantage.”

“Sportsmanship is simple. It is merely gentle in strength, being courageous in weakness, keeping the rules, playing the game, being on the same level with adversaries and on the level with yourself.”

The objective of the SYAA League is to promote, develop and conduct safe, constructive, competitive baseball and softball; to teach discipline, fair play, good sportsmanship, cooperation and friendly rivalry. To accomplish the objective for all, everybody must participate in support of the objective.

It is with this in mind that league officials have set forth specific rules and regulations. They are not intended to create a hardship on any individual but are to be guidelines for all.

NO ONE HAS THE AUTHORITY TO OVERRIDE ANY RULE IN THIS BOOK WITHOUT FIRST RECEIVING A MAJORITY VOTE AT A MEETING OF THE SYAA BOARD OF DIRECTORS.

GENERAL RULES

1. PLAYER PARTICIPATION

Baseball: (Mini, Midget, Minor and Major) Each player shall play at least three of the first 5 innings in the field. If a game is completed in fewer than 5 innings, players who did not get 3 innings of defensive play shall play the first three (3) innings of the next game in the field. PENALTY: Forfeiture of the game

Softball: (Novice, Miniette, Minorette) Each player shall play at least 2 of the first 4 innings in the field. If a game is completed in fewer than 4 innings, players who did not get 2 innings of defensive play shall play the first 2 innings of the next game in the field. PENALTY: Forfeiture of the game.

Baseball and Softball:

Players arriving after the first pitch of the second inning are late and may participate but are not subject to minimum player participation rules.

RECOMMENDED PENALTY:

1st Violation: The manager is suspended from the SYAA property from the next League game played by that team.

2nd Violation: The manager is suspended from SYAA property for the next three League games played by that team.

3rd Violation: The manager will be suspended from the League and SYAA property, with the right to appeal to the Board of Directors.

a. PLAYER PARTICIPATION IN ANOTHER LEAGUE OR TOURNAMENT

Any player in any baseball division determined to have missed a regularly scheduled game at SYAA to participate in any other baseball association game or tournament will be disciplined in the following manner:

1st Occurrence – Suspended from the next 2 games in which the player was to participate.

2nd Occurrence – Suspended for the remainder of the season and must petition the S.Y.A.A. Board of Directors to be eligible to participate in any subsequent seasons at this complex.

THIS RULE WILL NOT APPLY TO TEAMS IF THE PLAYER OR TEAM(S) HAVE PRIOR APPROVAL FROM THE DIVISION REPRESENTATIVE AND/OR THE VP OF BASEBALL.

2. CONTINUOUS BATTING LINEUPS

This rule shall apply to all baseball and softball divisions using a continuous batting order. Every player present must be included in the batting order for the entire game. Players arriving late are to be added at the bottom of the batting order. No other changes in the batting order may be made once the batting order is entered into the official scorebook. Players injured or leaving early will be removed from the batting order without penalty unless the number of players falls below the minimum required official batting order. The player being removed must sit out six consecutive outs before being able to play. If the player's turn at bat would occur, the batter is passed over. No automatic out shall be assessed for a player being sat out for an injury.

If a member of this committee needs to be recused, they may be replaced by any member of the Executive Committee. This committee may also take action against other unsportsmanlike activities that did not lead to an ejection.

The main goal is to make it fun for all players and to ensure that each player experiences as much batting success as possible.

- b. The coach of the team batting shall be in charge of delivering pitches to the batter.
- c. Each batter shall receive four pitches. If the batter fouls off the 4th pitch he will continue to receive pitches until he either puts a ball into play or swings and misses a pitch. At that point the batter will hit from the tee.
- d. If a batted ball strikes any part of the pitching machine the ball is declared a dead ball and the ball will be considered the same as a foul ball.
- e. The player pitcher shall position himself on the left or the right of the pitching machine at his discretion. He must be behind the machine when the pitch is delivered. A violation of this rule will result in a no pitch.
- f. No fielder, except the catcher, shall position himself any closer to home plate than the pitching machine when the pitch is delivered. A violation of this rule will result in a no pitch.
- g. The coach of the batting team shall declare a no pitch if in their judgment the pitch did not cross the plate in the strike zone.
- h. The defensive coach has the discretion, to declare any play dead immediately if he feels that a fielder is in danger of running into the pitching machine while fielding a ball. If a play is made on any base runner other than the throw to second base on an attempted steal of second base or the throw to third base on the attempted steal of third base, the ball becomes live and base runners may advance at their own risk including advancing from third base to home. For example: A team with base runners on first and third could advance those runners at their own risk if the defensive team threw to third base or first base in an attempt to put out a base runner. The base runner on third base cannot advance if the defensive team is attempting to put out the base runner stealing second base.
Only one base may be taken on an overthrow.

19. The umpire may, at his discretion, declare any play dead if he feels that a fielder is in danger of running into the pitching machine while fielding a ball. The umpire will then award any bases or declare any outs that in his judgment would have taken place

without the interference of the pitching machine. This is to ensure the safety of the players.
